

sincron RELOADED

at KANALIDARTE art gallery

SATURDAY 24 OCTOBER 2020

from 12.00 a.m. to 7.00 p.m

*An exhibition that looks at the incredible path taken by an equally singular figure like the one of Armando Nizzi and his studio **SINCRON**, a historic constructivist avant-garde art gallery, a place for exchanging thoughts, experiences, a destination for “mean” and great incredible artists, a catalyst for attention from colleagues near and far, intrigued by this man and this art outside and very much inside the scheme.*

*The figure who then most closely espoused the rigorous direction of Nizzi, was Anna Canali with her Milanese **ARTESTRUKTURA** art gallery.*

*These two fierce personalities of '70's to 90's Italian art scene will therefore be the protagonists of Afra Canali's new proposal aimed at **DOCUMENTING, SYNCHRONIZING, GIVING STRUKTURA** to a wonderful work, certainly not negligible.*

*exhibition created in collaboration with
